

Psychic Seduction

Arousal at a Distance

mindpersuasion.com

Instructions

Listen with headphones and eyes closed. Visualize a specific girl you are interested in or girls in general. Imagine them thinking of you and becoming incredibly aroused and excited. Imagine them dreaming of you at night.

Tips for Success

Keep a daily journal and record any objective evidence that you are becoming more attractive towards women. Write down any behavioral changes you notice when interacting with women in general, or the woman you desire.

Listen late at night, when your target is sleeping to better enter her dreams and program her to fall in love or lust with you.
