

Reading Genius

Soak Up Information Like a Sponge

mindpersuasion.com

Instructions

Listen with headphones and eyes closed. Visualize any situation where you are reading any material and not only learning the material quickly and easily, but enjoying it as you do so. Imagine social situations where people are admiring you for your reading skills. Imagine taking a test and doing extremely well.

Tips for Success

Keep a daily journal and record any objective evidence that you are enjoying reading more, and learning information more quickly. Also note any positive comments others have regarding your new skills.
