## **Instructions**

Listen with headphones and eyes closed. Visualize any situation where you are showing up just at the right place in the right time. Visualize walking down the street and seeing doors opening up into perfect opportunities. Imagine any social situation where you are meeting the perfect people.

## **Tips for Success**

Keep a daily journal and record any objective evidence that you are finding more opportunities and meeting more people that can help you get what you want. Record any observations others make about your sudden luck.
